

# TREC Training Workshop 2024 Fellowship Program Application Form

## Instructions

**Notification of Intent (NOI) to apply is due by December 15, 2023 via email to Diana Lowry at [dlowry@fredhutch.org](mailto:dlowry@fredhutch.org)**  
The NOI can be informal, simply an email stating your intent to apply to the TREC 2024 Fellowship Program. A formal letter is not necessary.

**Full completed applications must be submitted in English and received no later than  
5pm SENDER'S TIME, MONDAY, JANUARY 15, 2024.**

**A complete application must include all of the following items.**

The application is web-based. Review the information below, prepare the content requested, then click the >> icon at the bottom of the application webpage to proceed to the application form. The application webpage is located under the MENU > APPLY tab at [TRECTraining.yale.edu](https://TRECTraining.yale.edu).

**For your preparation purposes, a copy of these instructions and application form prototype is available for download on the *Apply* page of the TREC Workshop website at: [TRECTraining.yale.edu](https://TRECTraining.yale.edu)**

**Any questions: please contact Diana Lowry at [dlowry@fredhutch.org](mailto:dlowry@fredhutch.org) or 206-667-7960 (office, routine business hours). Thank you and good luck!**

### **1. Application Form, fully completed (web-form – recommended browser: Google Chrome)**

In addition to items 2-4 below, the application form collects administrative information, grant funding history (if applicable), names of relevant mentors/professional references, reason(s) you are interested in the Workshop, how you heard about it, how you anticipate benefiting from the Workshop, and how you anticipate that the field of energy balance and cancer research in turn will benefit from your participation.

### **2. A one-page specific aims page relevant to the field of energy balance and cancer research that you are working on or have submitted but which has not yet been funded.**

#### NIH-style Specific Aims page formatting instructions

- References may be included and do not count towards the one page limit
- Size 11 font (Arial, ½ -inch margins)
- Include a document header with your first and last name
- Format the file name as follows: LastnameFirstInitial\_Aims      *example: LowryD\_Aims*
- Include brief background, rationale, significance, approach and aims
- Use upload tool on the web-form (.doc or .pdf file)

### **3. A current biosketch using the newest NIH format**

The NIH-style biosketch is requested rather than a CV or full resume. eRA Commons or PI is not required. Guidelines are found here (last accessed 30.Sept.2023: <http://grants.nih.gov/grants/forms/biosketch.htm>).

**Please use the form designated as “non-fellowship”.**

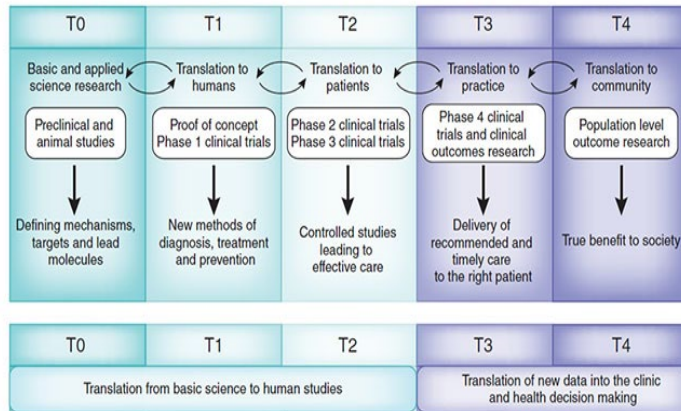

#### Biosketch file naming instructions

- Format the file name as follows: LastnameFirstInitial\_Biosketch      *example: LowryD\_Biosketch*
- Use upload tool on the web-form (.doc or .pdf file)

### **4. Up to three mentors or professional references - we are not collecting letters of recommendation, just names, contact information, and area(s) of expertise. References should be your department chair, dean, and/or mentor experienced in energetics and cancer research.**

# TREC Training Workshop 2024 Fellowship Program Application Form

## Statement of Interest in the TREC Training Course

**How did you learn about the TREC Training Course Fellowship program?**

**Have you applied to this Workshop in previous year(s)?**  Yes  No
